

The Peugeot 406

Coupe

PEUGEOT

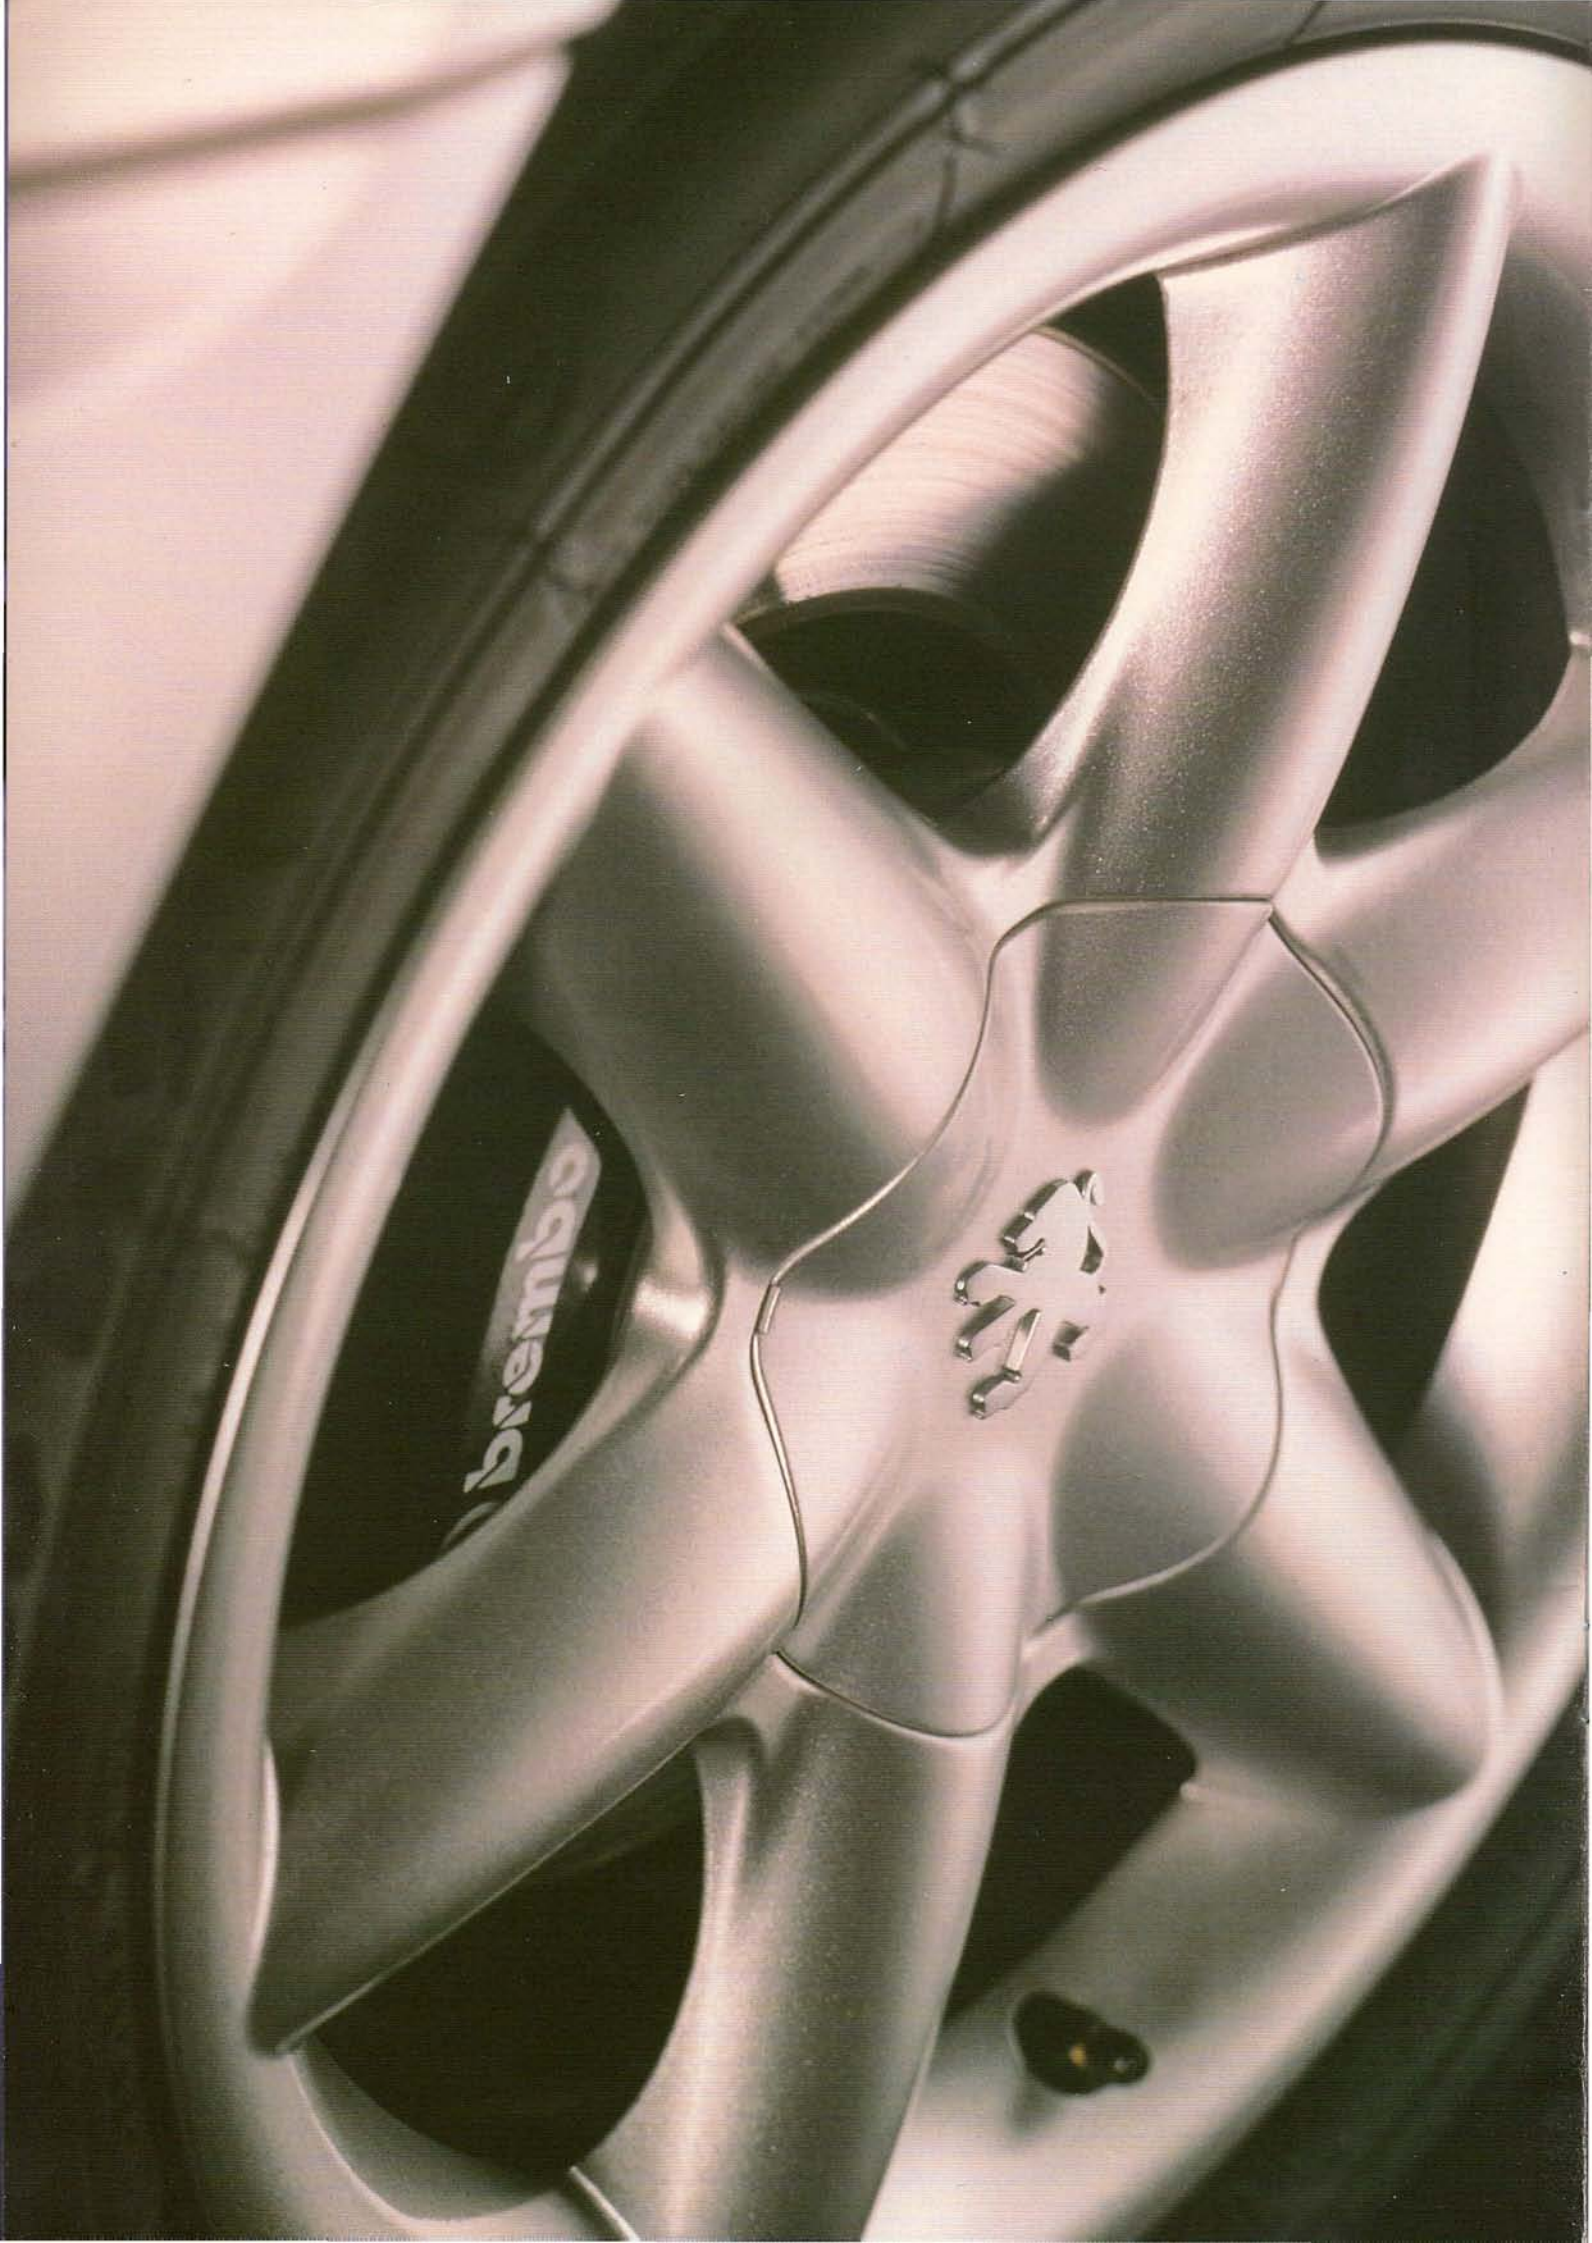

Coupé

Follow the line. Take in the soft, sensuous curves. Smooth. Sweeping. Seductive. A look that goes beyond simple aesthetics and suggests hidden depths. The power to lift your spirits and transport you to another level. This is the 406 Coupé - a car that personifies dynamism, beauty and presence. Form that does more than simply function. One look and you will understand why.

Enticing

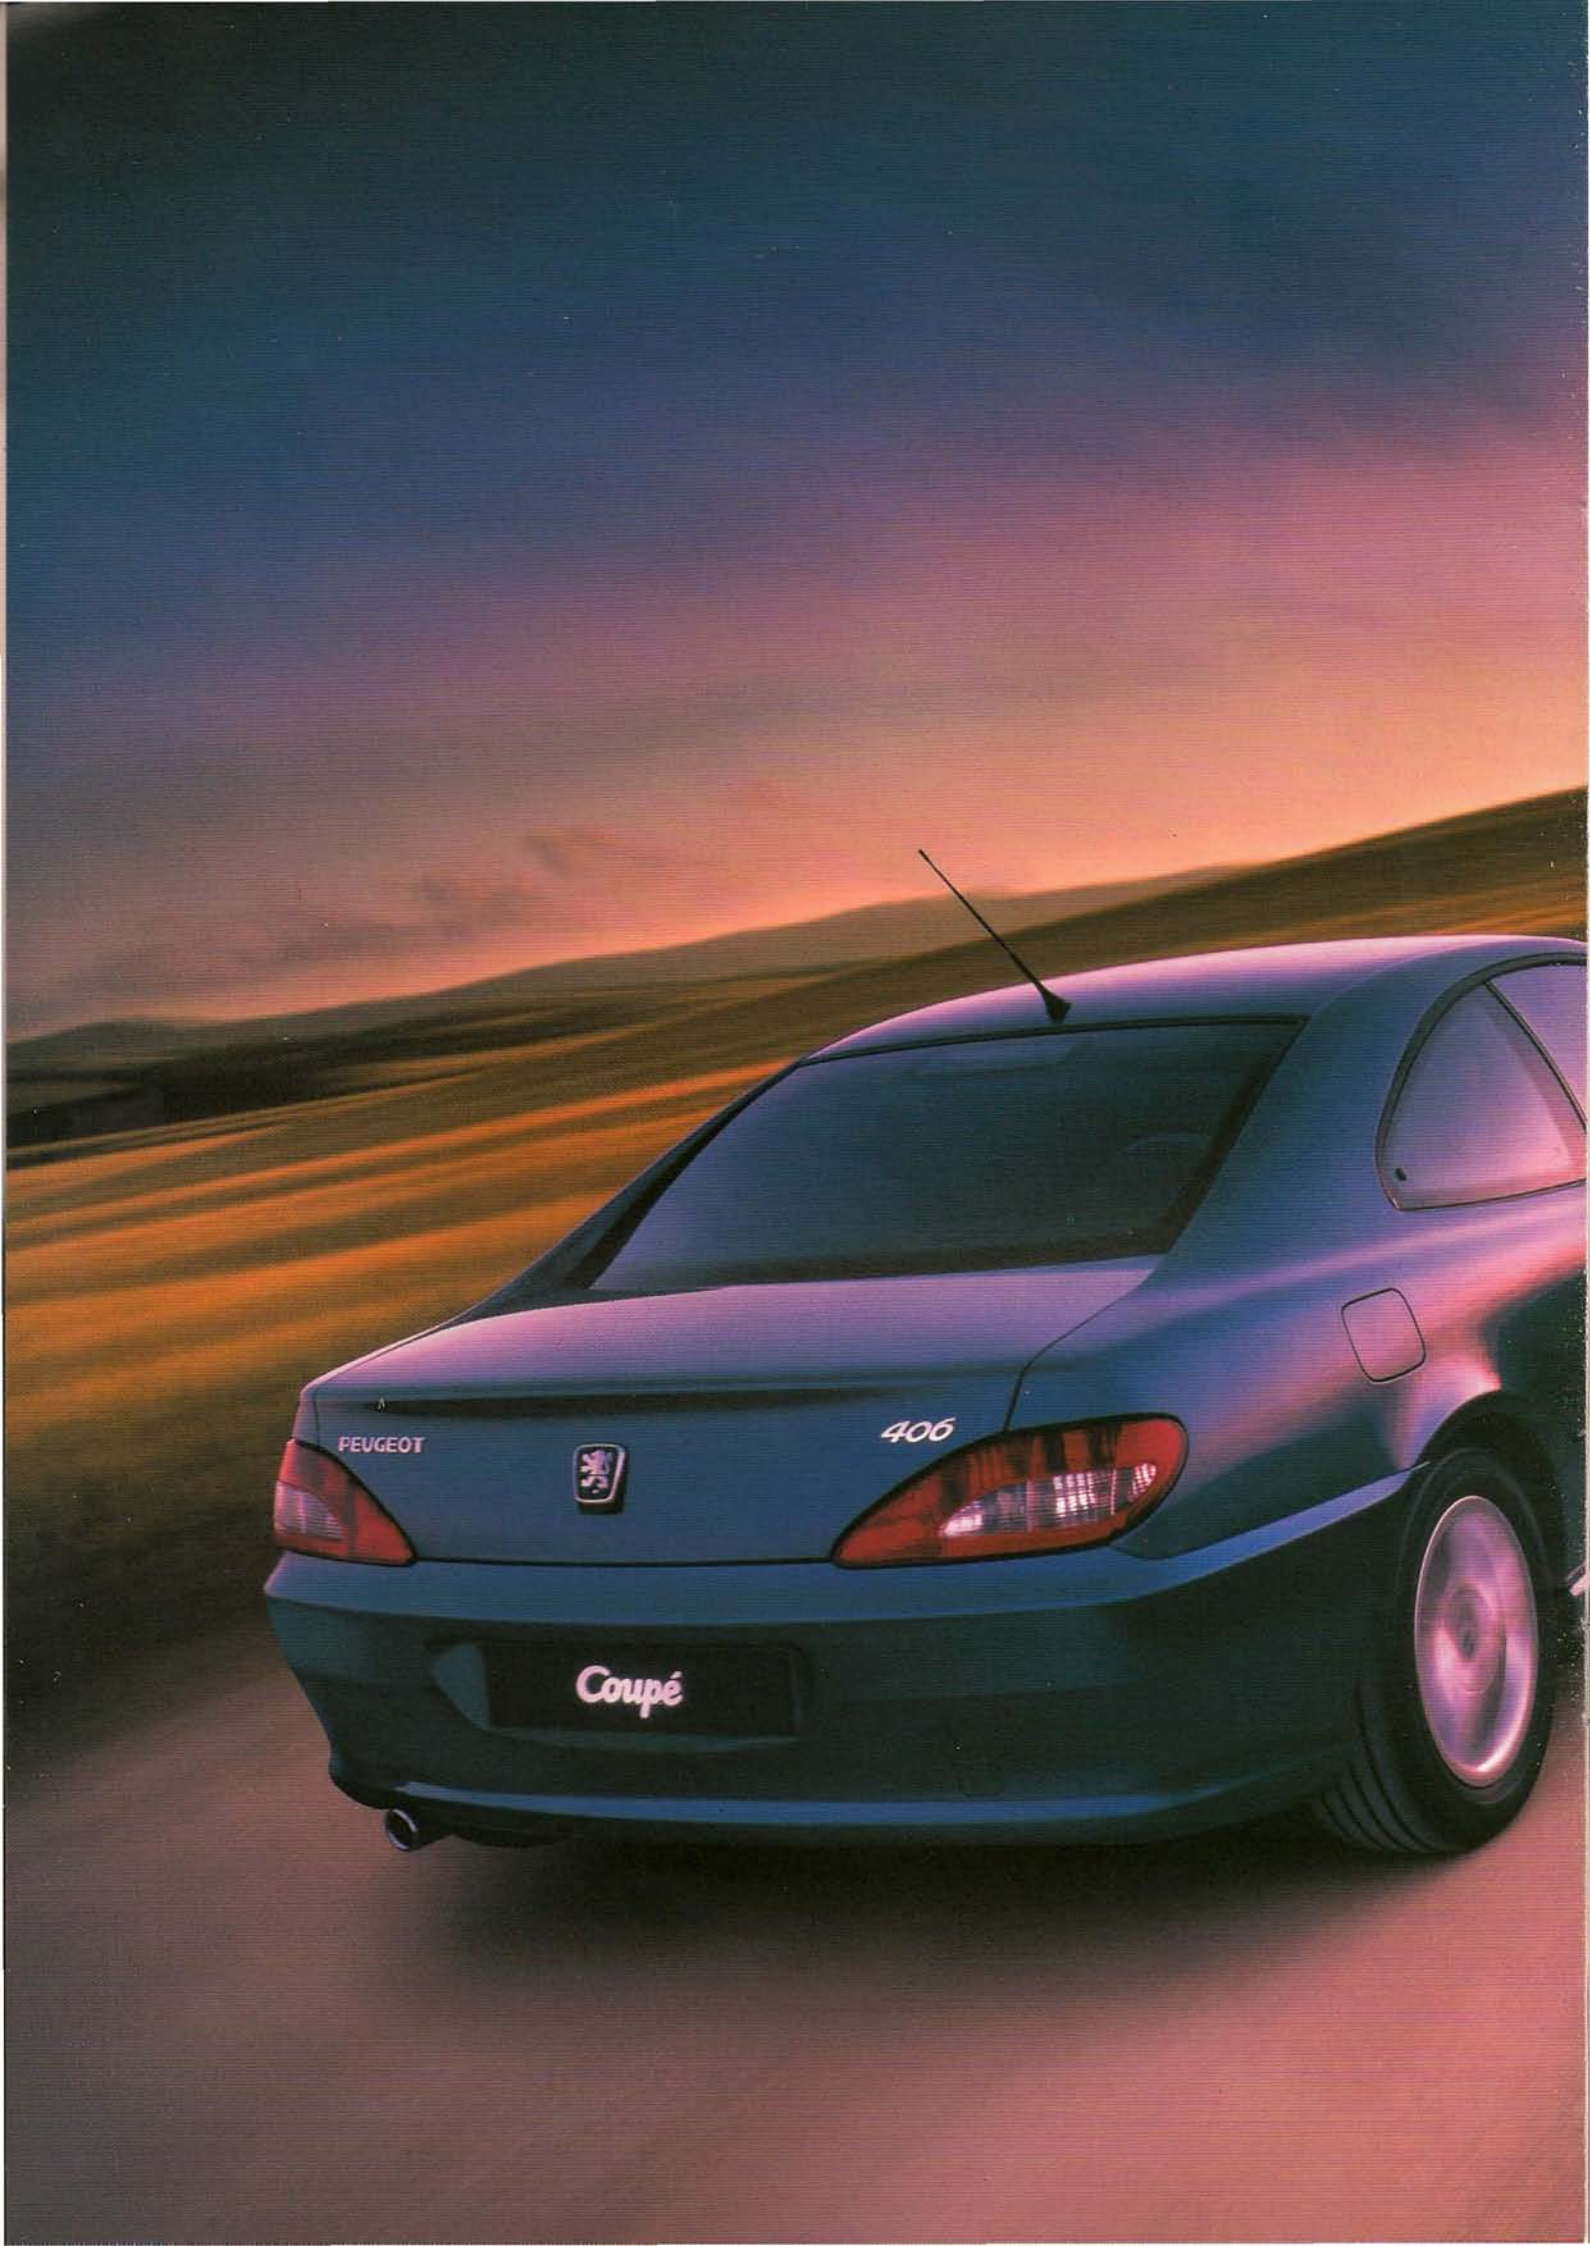

Pininfarina

Seductive

Style that's more than a look, design that's more than a fashion. Distinctive. Individual. Complete. Notice the name, testimony to a heritage that is revered the world over. Pininfarina – synonymous with the ultimate in style and performance. Note the small details that tell you everything has been considered. Touches that look and feel that extra bit special. Like the retro-style dials or the chrome gearshift, as smooth and polished as the performance it promises. The unmistakable gleam and style of alloy wheels. A celebration of technology, flair and passion.

PEUGEOT

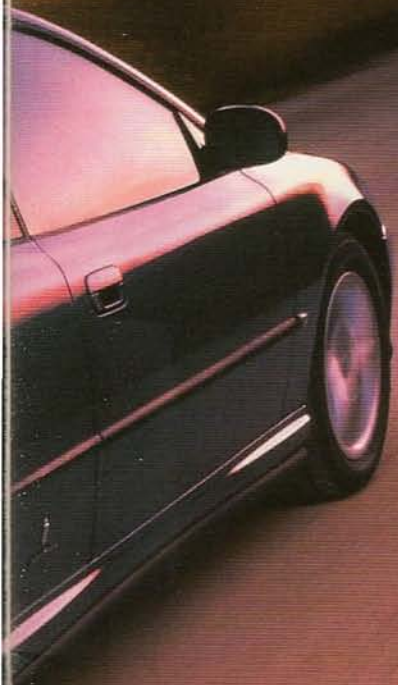

406

Coupé

It's not all about looks. The 406 Coupé has performance* that will make you tingle with anticipation. Turn the key and listen to the engine play music to your ears. Gently tease the accelerator and watch the dials spin, feel the power waiting to be set free. The 3.0 litre V6 model will take you from 0-62 in just 7.9 seconds and to a top speed of 146mph where permitted. Every bend, every crest, every inch of road just waiting to be devoured. Drive it. Live it. Love it.

Exhilarating

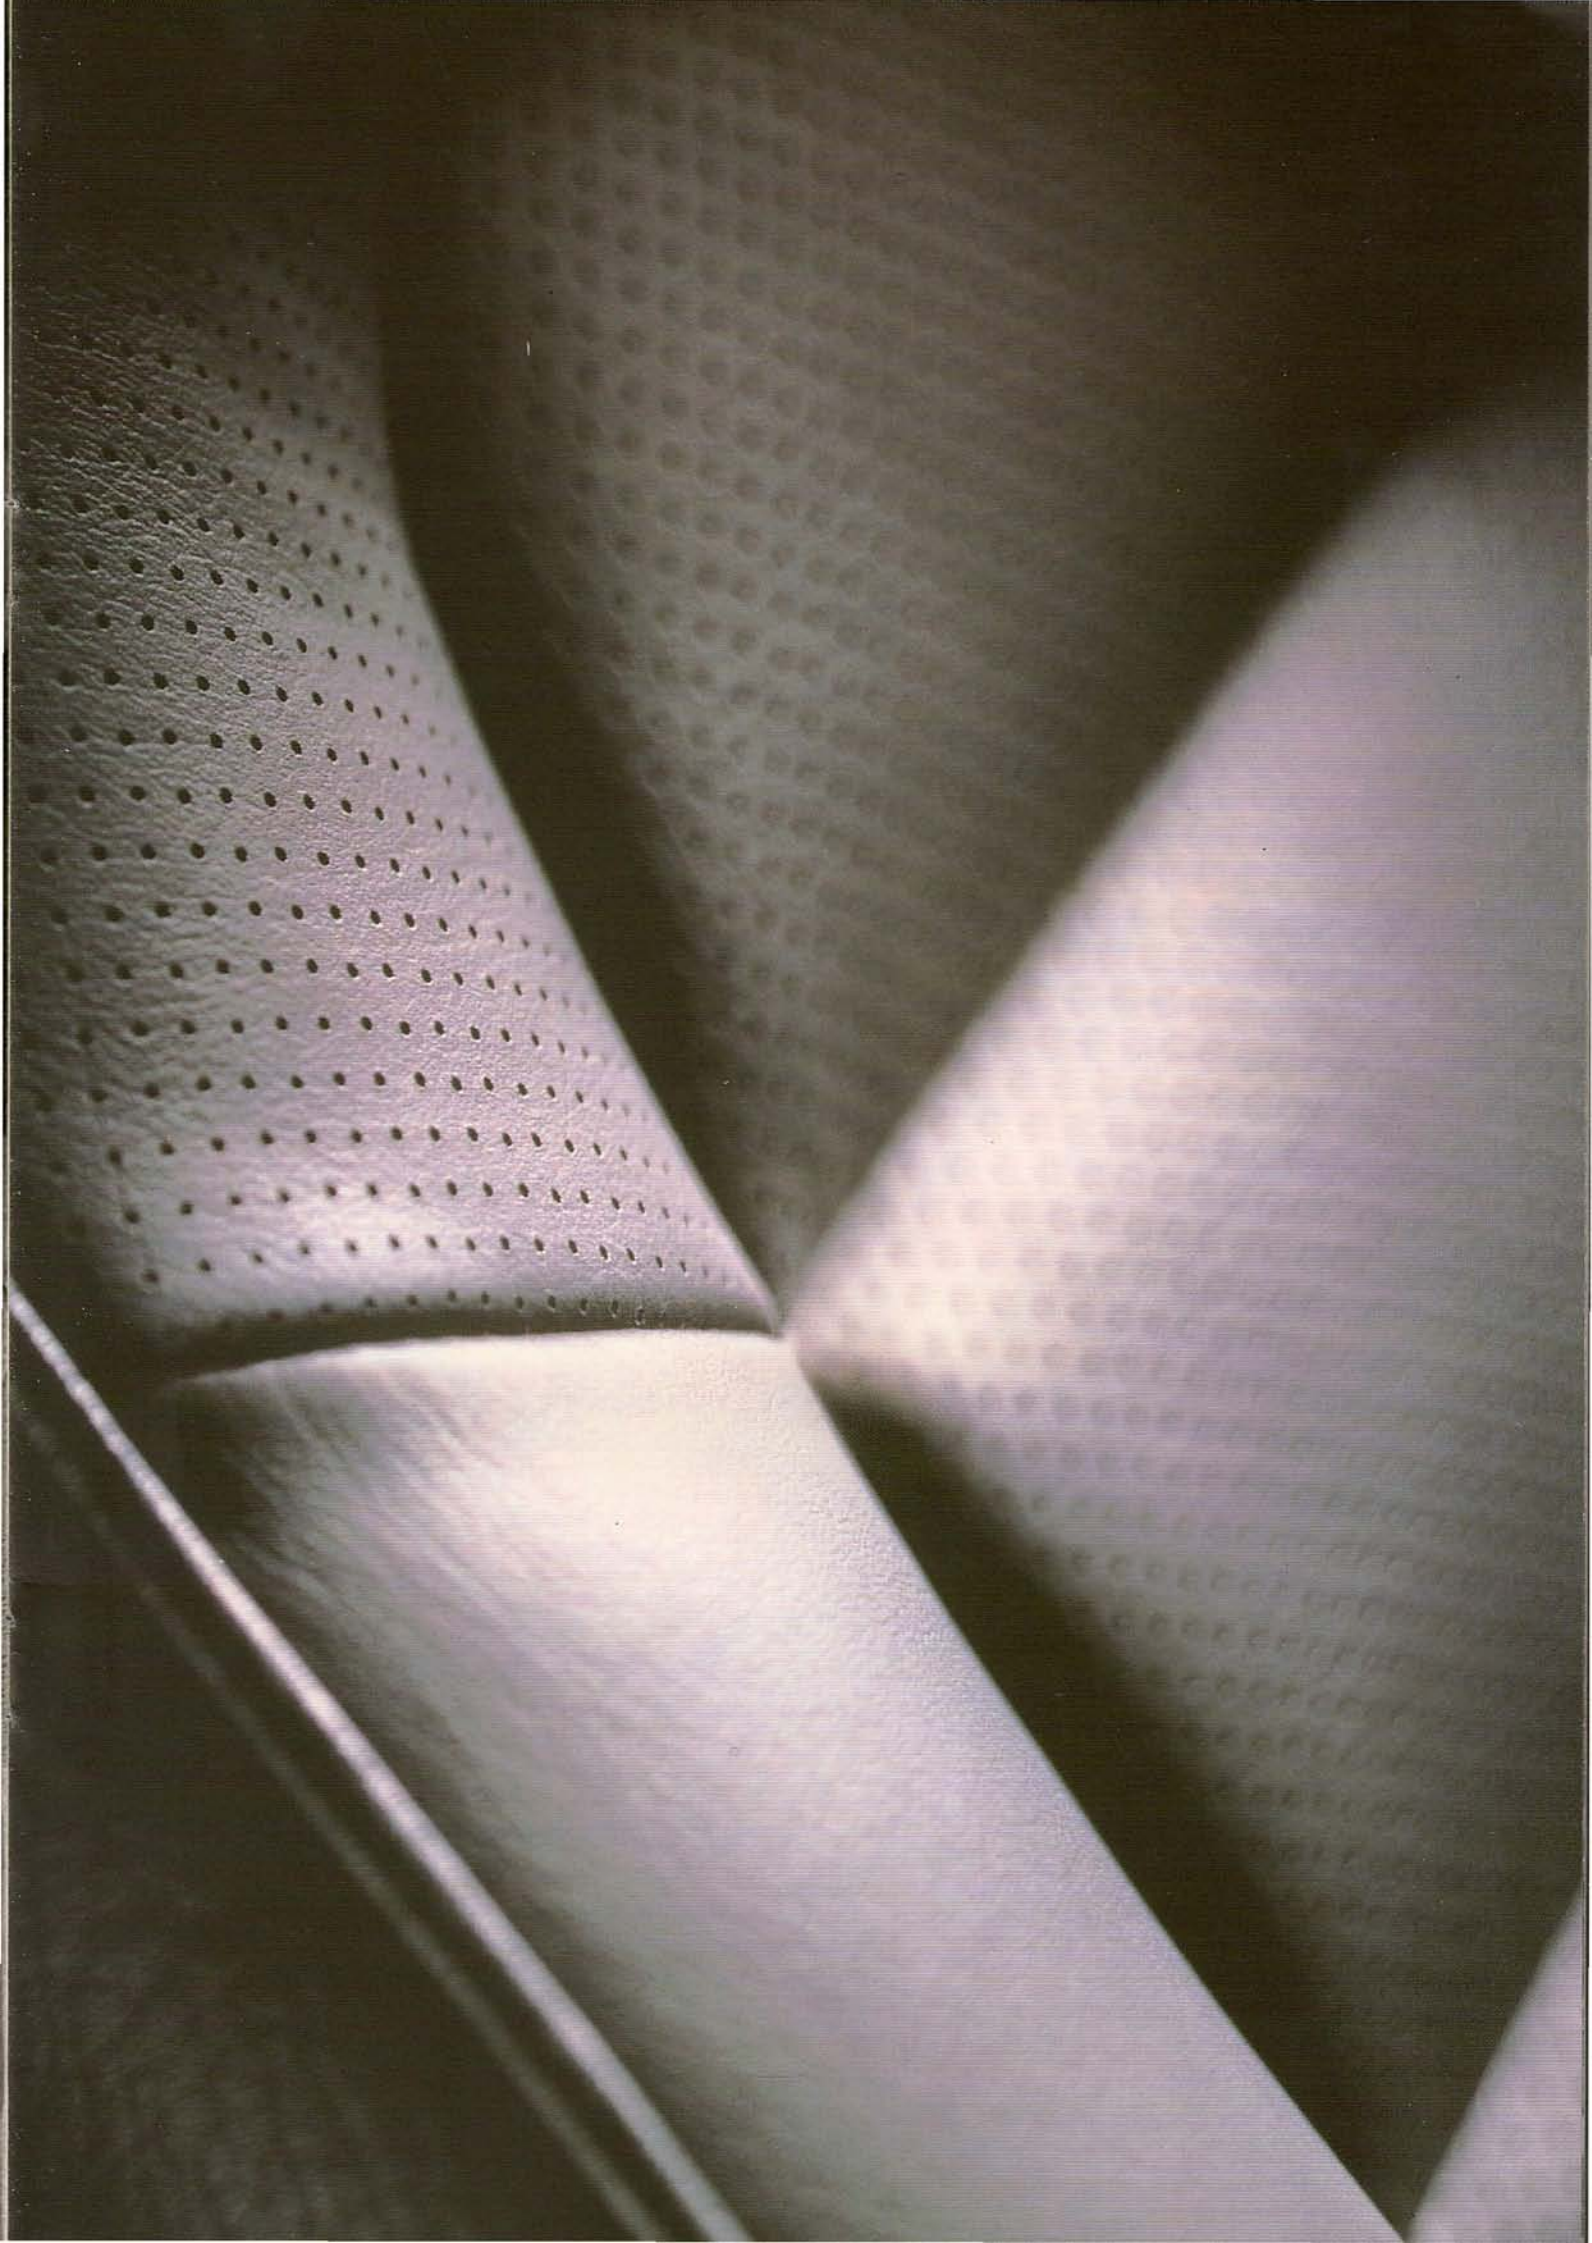

*For full details on performance and economy see pages 19 and 20.

Relax, you're in good hands. There's travelling, and then there's travelling in an environment that's designed to make you feel totally at ease. Upholstery that calms and cossets you, Florio cloth or sumptuous Ascari leather, depending on model. A world where driving is about more than just going somewhere.

Luxurious

Intelligent

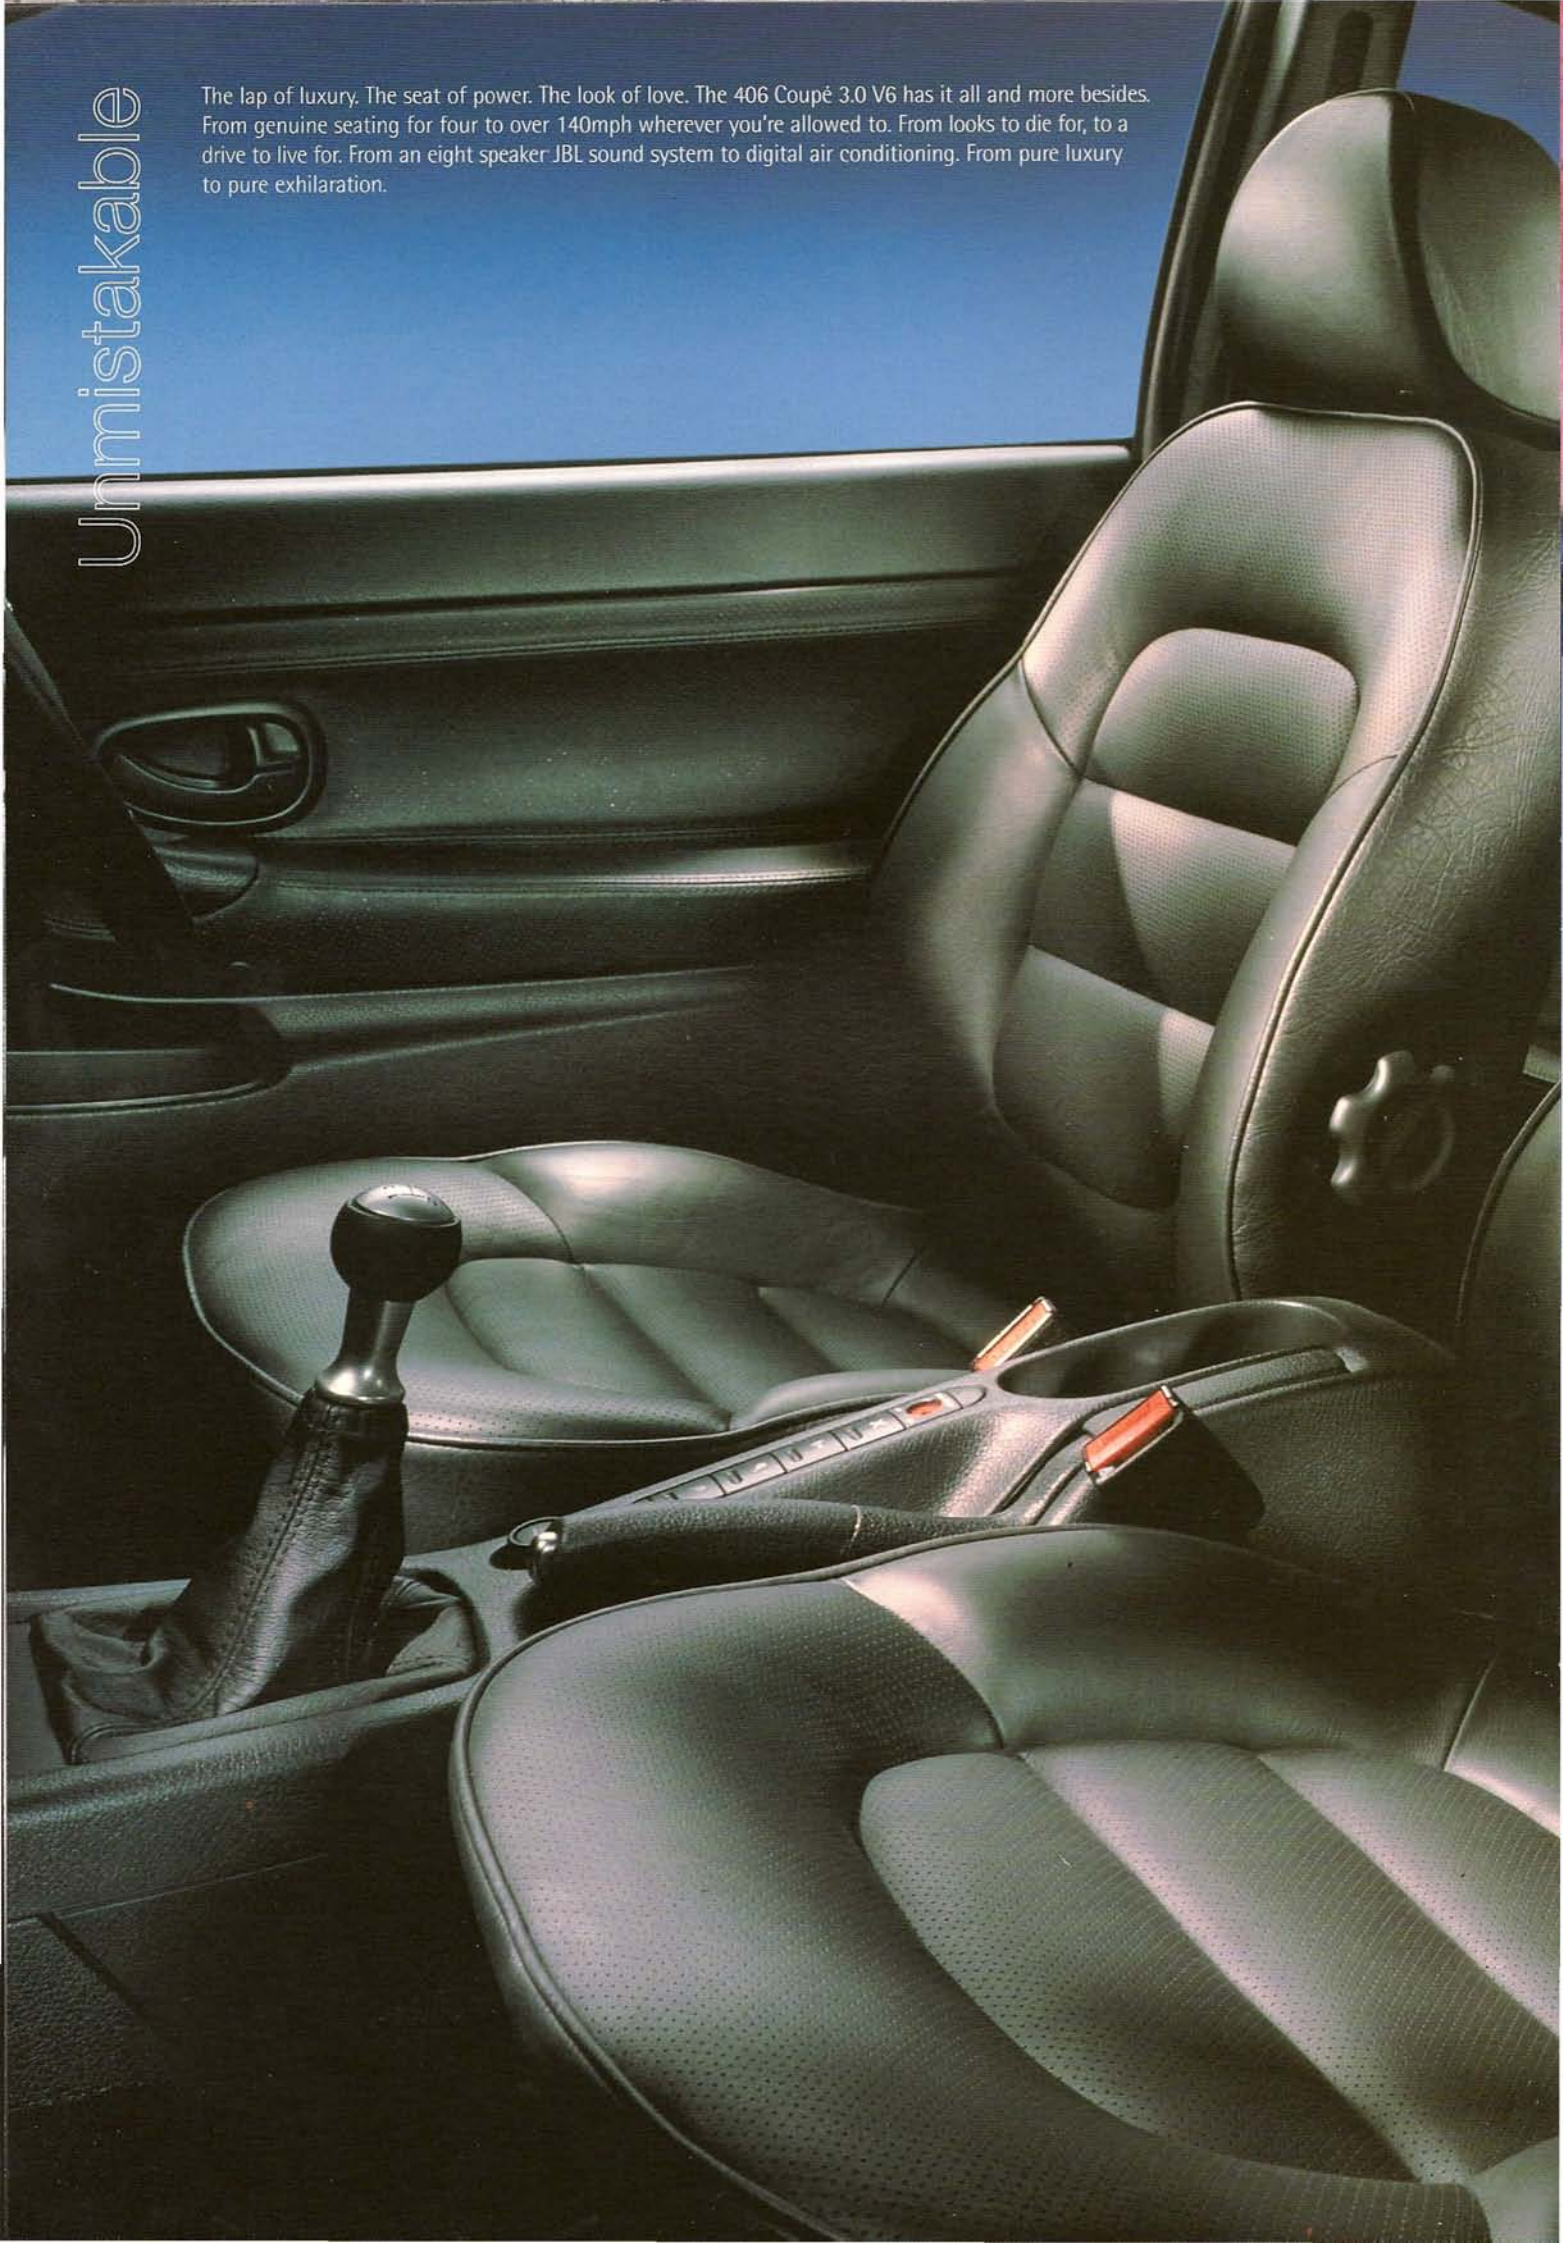

Power means nothing without control. Total, Effortless, Faultless. The 406 Coupé puts you firmly in the driving seat and offers a host of advanced features that give you the last word in safety and enjoyment. Race tested 4-piston front brakes to keep you on the straight and narrow. Multi-link rear suspension for a smooth ride no matter what the road conditions. Add touches like electrically heated and operated front seats, a rear view mirror that automatically adjusts for day or night vision and rain-activated wipers and you'll realise that you are totally in control. The power. And the glory.

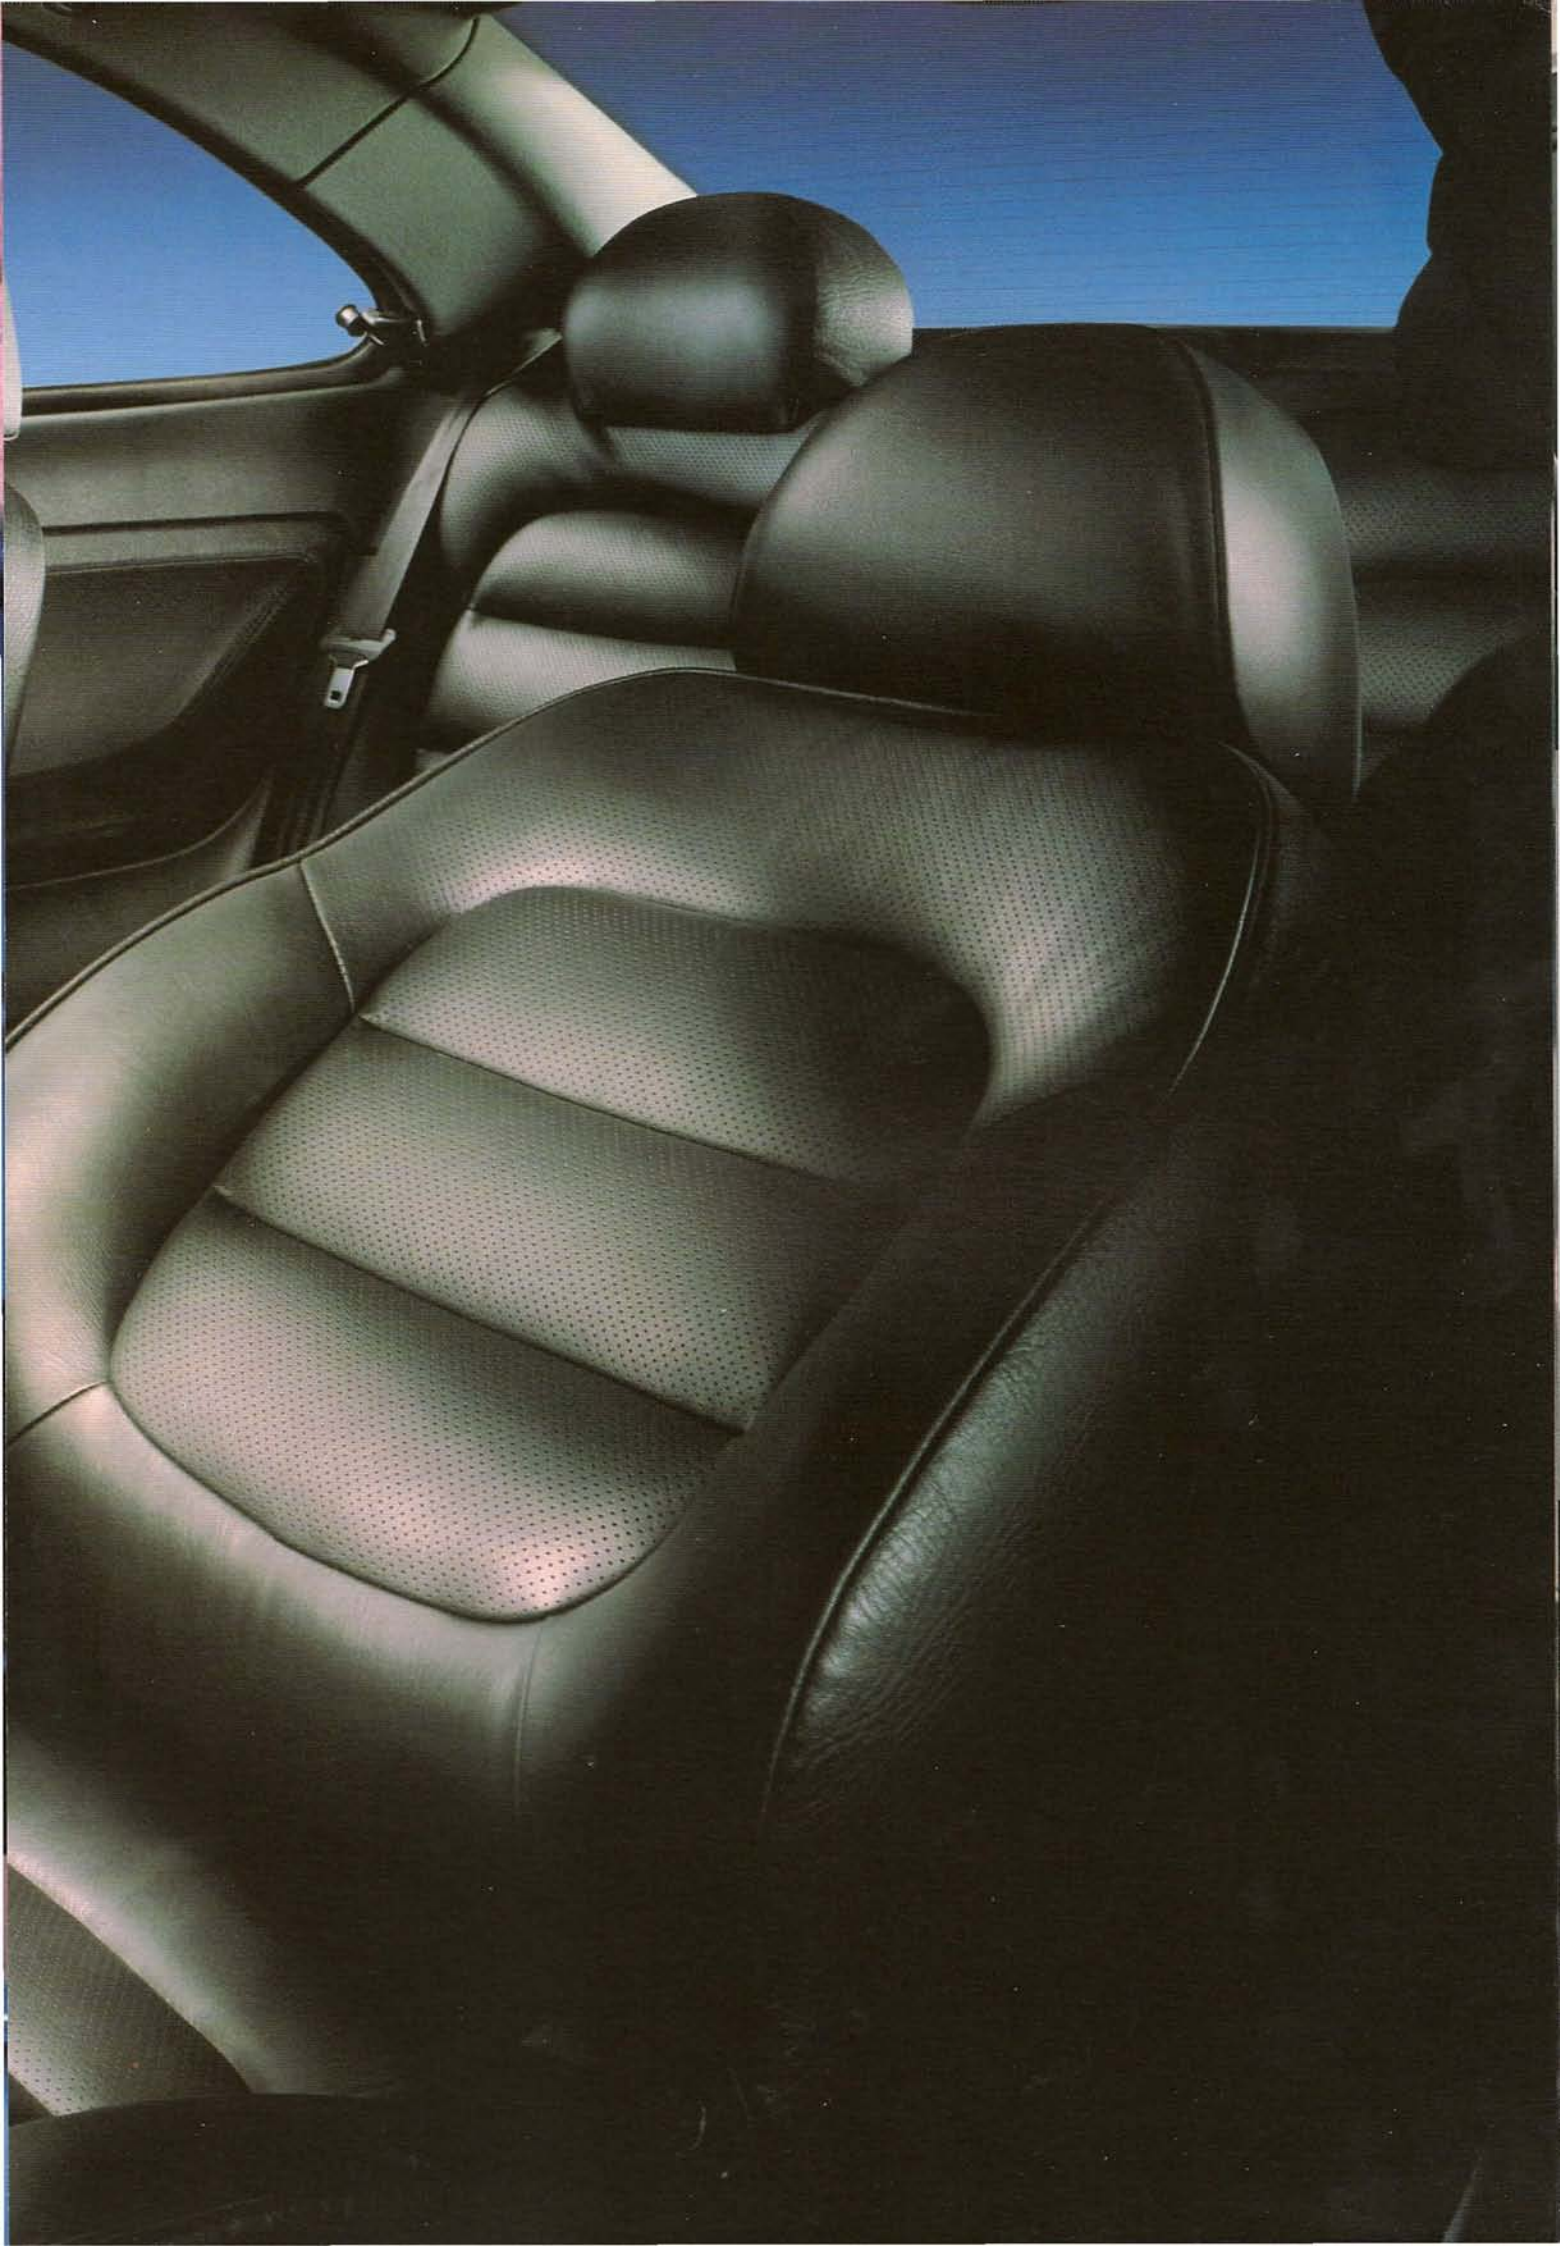

Unmistakable

The lap of luxury. The seat of power. The look of love. The 406 Coupé 3.0 V6 has it all and more besides. From genuine seating for four to over 140mph wherever you're allowed to. From looks to die for, to a drive to live for. From an eight speaker JBL sound system to digital air conditioning. From pure luxury to pure exhilaration.

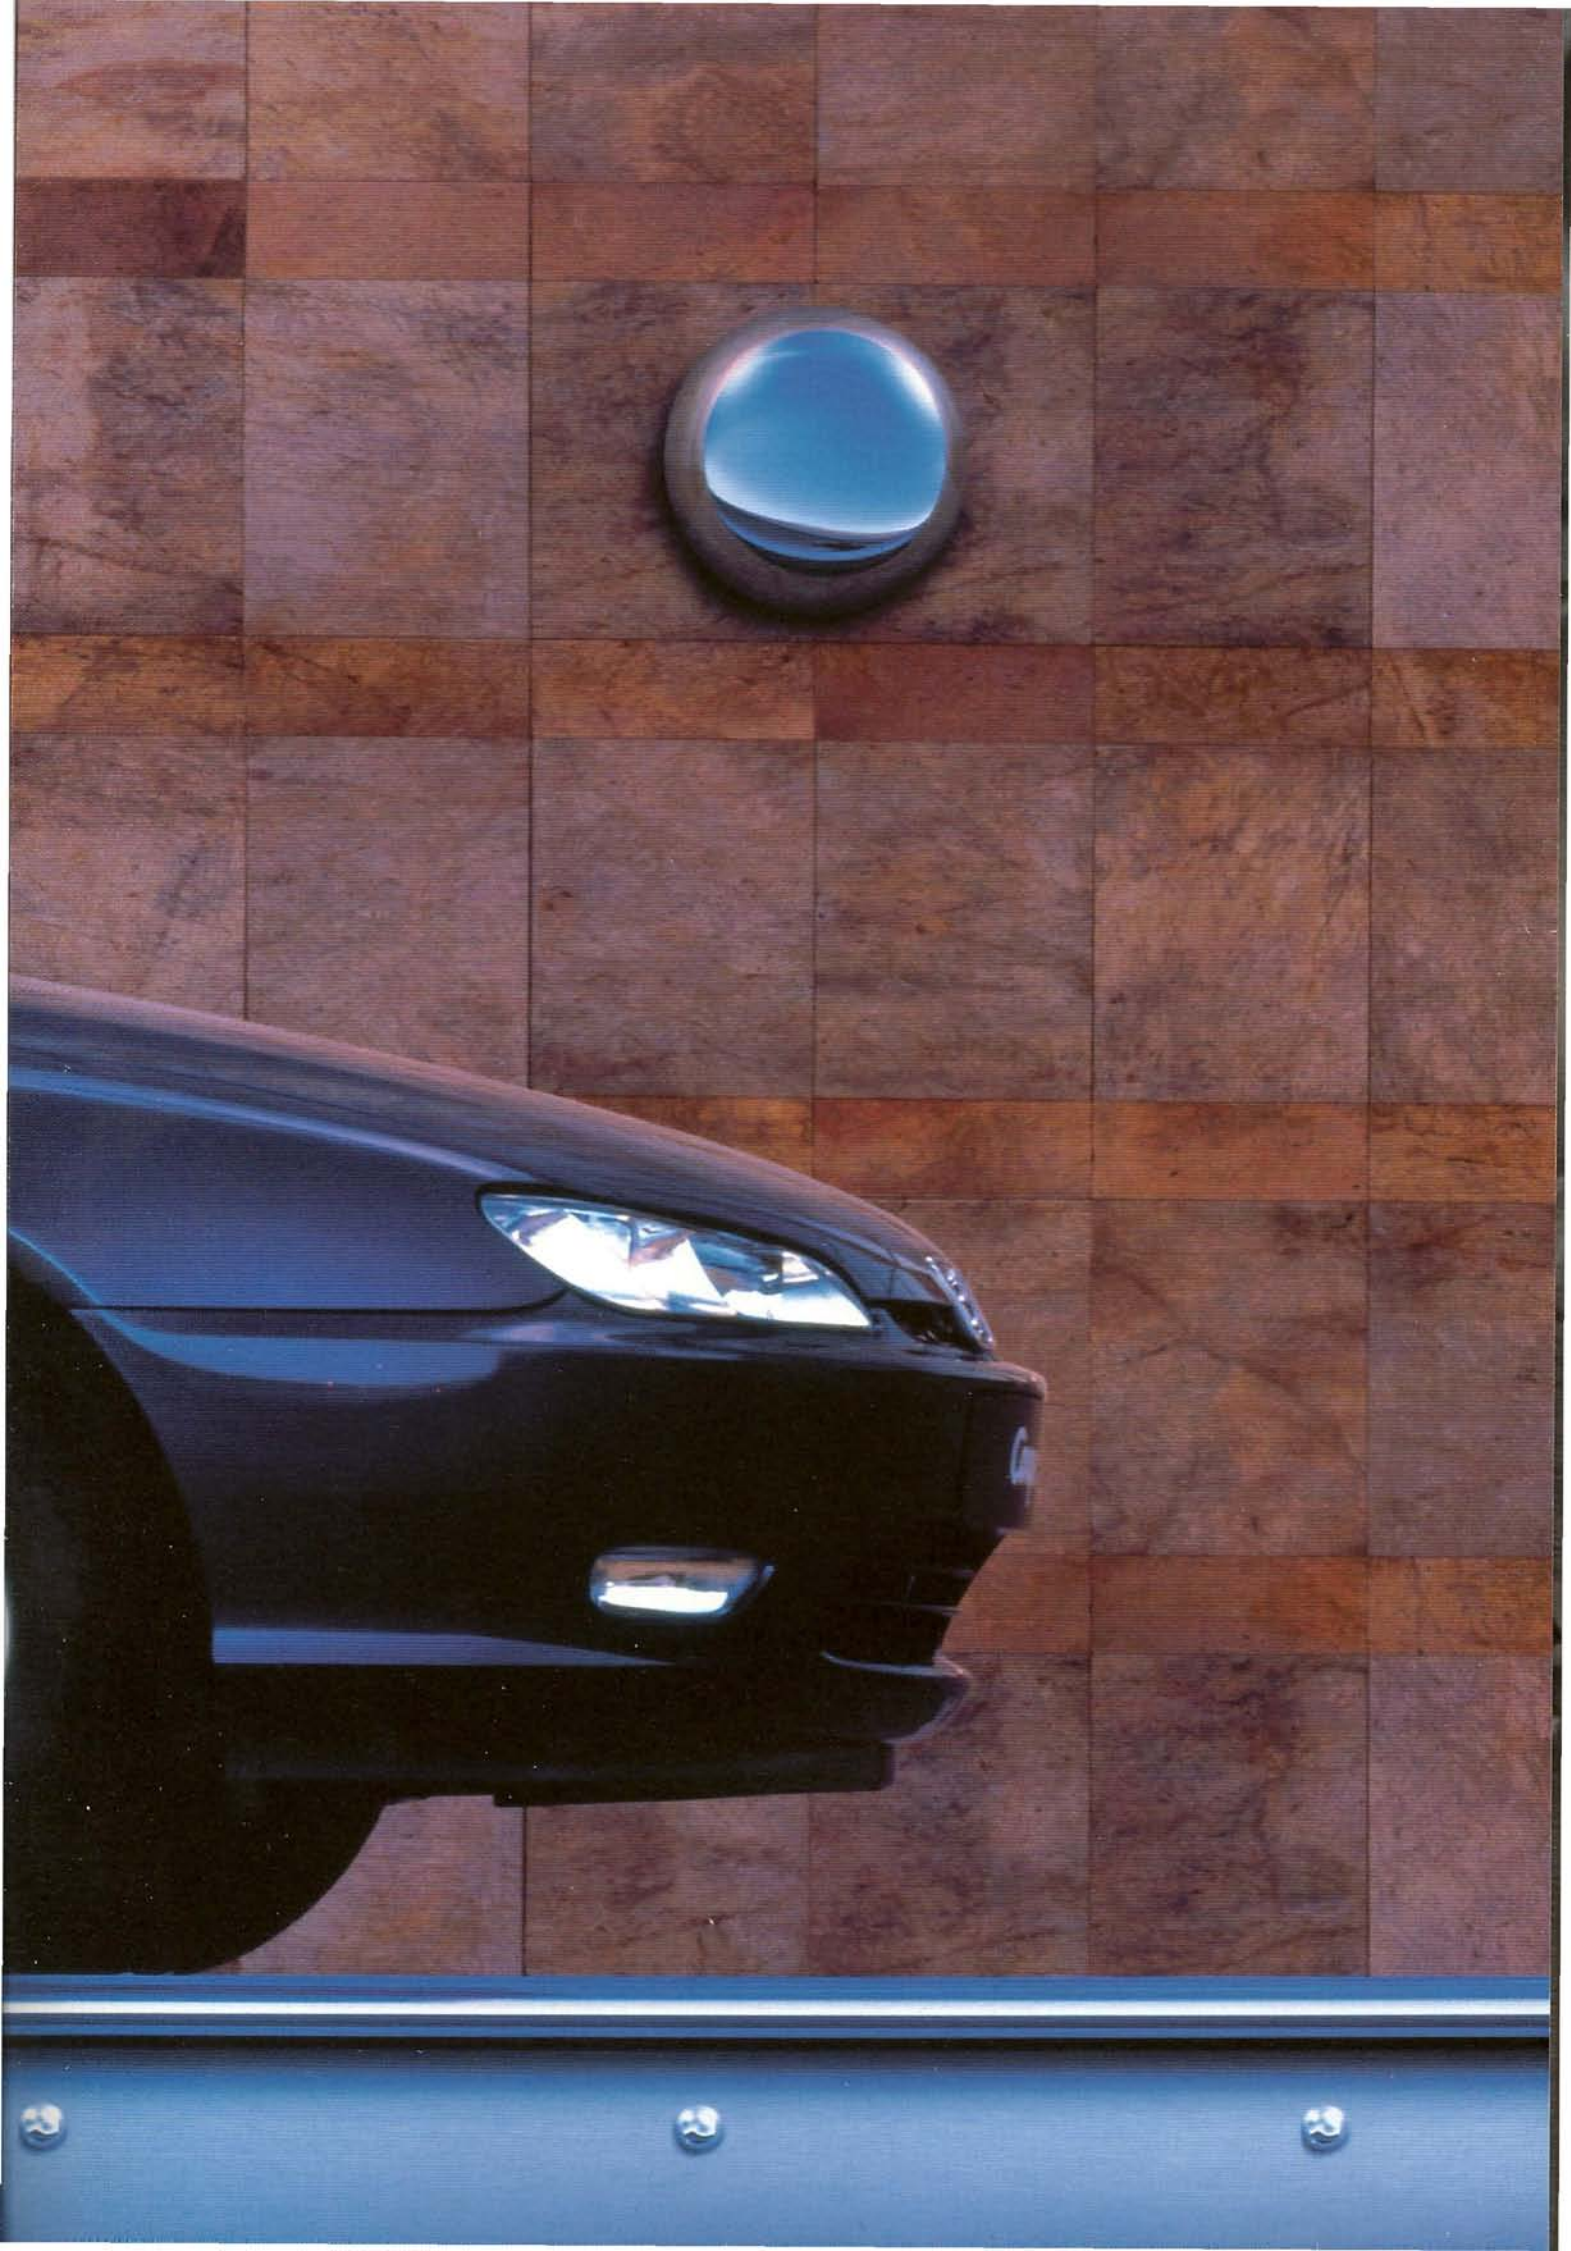

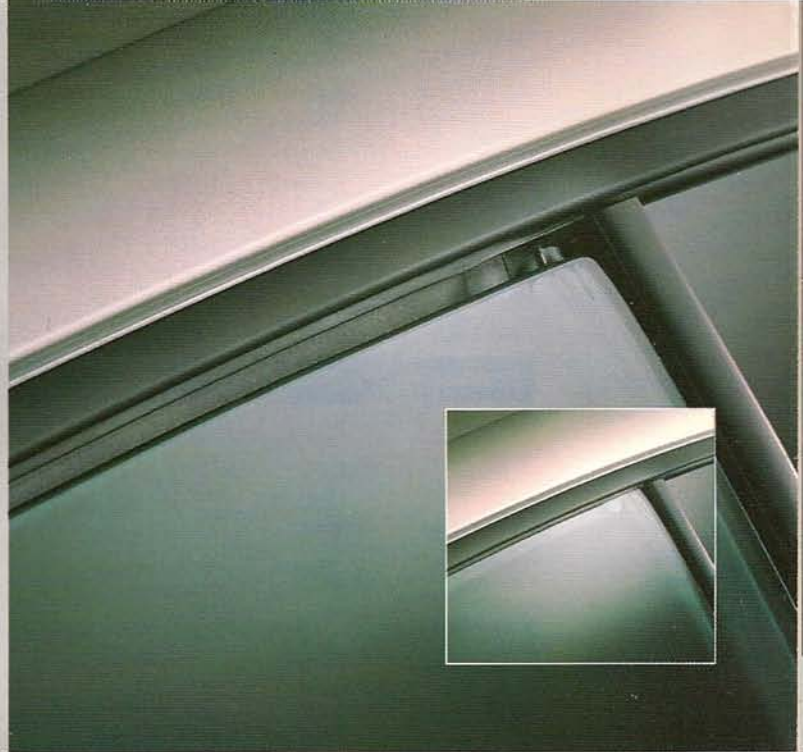

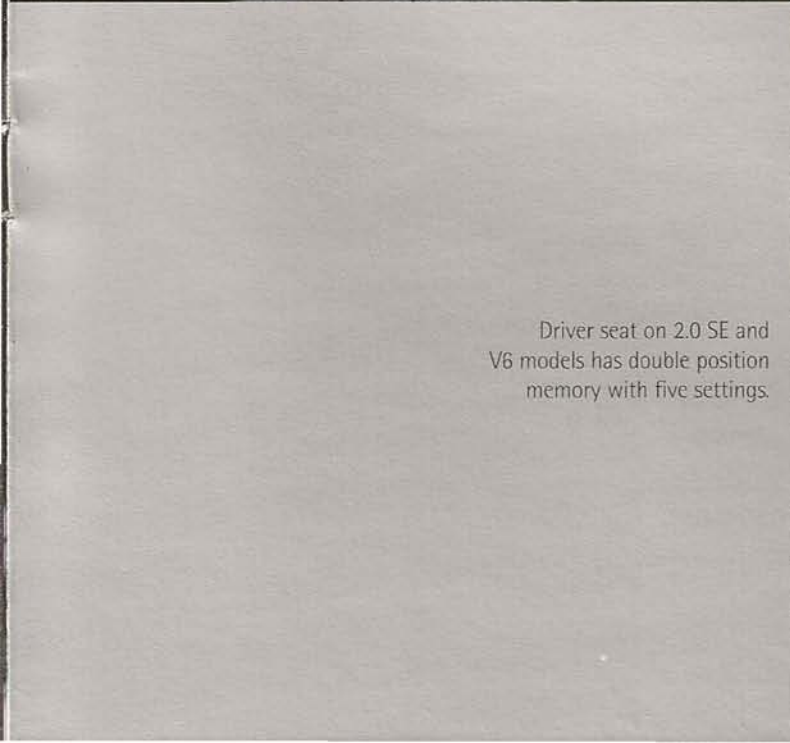

Electric window with autoseal,
for wind noise elimination.

2.0 SE and V6 models feature a
JBL eight speaker sound system with
graphic equaliser.

Driver seat on 2.0 SE and
V6 models has double position
memory with five settings.

A close-up photograph of the rear quarter panel of a silver car. The car's body is highly reflective, showing a bright highlight from the upper left. A sleek, curved line runs along the edge of the rear door. In the lower right, a portion of a red taillight is visible, with a clear lens section below it. A black badge with the number '406' is mounted on the silver surface.

406

Peugeot Peace of Mind

Peugeot Cars are designed and manufactured to give you trouble free motoring and total peace of mind. As a Peugeot owner you are immediately entitled to a comprehensive range of customer care services - all available from your Peugeot Dealer. Your local Dealer has the expertise to maintain your Peugeot to its peak performance. Each Dealer employs a Master Technician with at least 7 years experience, who has access to the latest technical information and diagnostic equipment developed for Peugeot vehicles. There's no way your car could be in better hands. To get the very most from our commitment to service, just ask about any of the benefits listed below. Your Dealer will also keep you up to date on any new product innovations that could add to your driving pleasure. It's all part of the service.

Driving Down the Costs of Servicing

Peugeot petrol engine cars need servicing every 20,000 miles or every 2 years, whichever the sooner. This became the goal for others to strive for when Peugeot announced this industry-leading benefit in August 1998.

Drivers of the diesel versions also benefit from extended servicing with 10,000 miles (or 2 years) intervals.

With less time spent in the maintenance bay and fewer service visits, Peugeot have passed on the benefits of technology in engine design and lubrication. Cost savings compared to competitive models increase with mileage covered, and could be up to 45%.

While Peugeot can predict the maintenance needs of engines and other major components, the wearing of certain components such as tyres and brake pads is less predictable and is affected by driving style and conditions. Peugeot recommend an optional safety check between services to which Dealers will add complimentary fluid-level top-ups - all while you wait.

Unlimited Mileage 12 Month Warranty

Complete parts and labour coverage in the first 12 months, irrespective of mileage. During the period, you will also automatically receive Peugeot Assistance cover for complete peace of mind (subject to conditions outlined in the Warranty Maintenance Book).

6 Year Anti-Perforation Warranty

Transferable on change of ownership, this will maintain and enhance the resale value of your car (subject to conditions outlined in the Warranty Maintenance Book).

Peugeot Assistance

Whatever it takes to get you going again, it only takes a Freephone call to make it happen. Peugeot Assistance is free for the first year of ownership. Operated by the AA it includes roadside assistance, vehicle recovery, free replacement car or hotel accommodation and chauffeur provision in the case of certain medical disabilities. Peugeot Assistance is available within the UK and Europe. Your Peugeot Dealer has full details of all terms and conditions.

Peugeot Lioncare Gold

Designed to eliminate the inconvenience even a routine service can cause, features include a choice of while-you-wait service, vehicle collection and delivery, competitive hire car costs and free transport to local destinations. Furthermore your car will be washed before its return.

Peugeot Genuine Parts Promise

If your car is in for a service or repair, the parts required to keep your car on the road are normally available from stock. However, when a part is not immediately available we guarantee that the parts the Dealer identifies needed to complete the job will be delivered from the Peugeot central warehouse by 8:00am the following morning. If the part does not arrive on time you will receive it free of charge. Your Peugeot Dealer has full details of the terms and conditions of this offer. This offer only applies in Mainland Britain.

Peugeot Extended Warranty

Extended Warranty cover for a further 12, 24, 36 months after the original 12 month warranty expires. (Not available for taxis, driving schools or self drive operators). Peugeot Extended Warranty is one of the most comprehensive schemes and is exclusively available to Peugeot Owners. Customers wishing to extend their warranty benefits can concurrently extend their Peugeot Assistance cover at extremely advantageous rates. This will of course extend their European Cover.

Peugeot Insurance

Peugeot Insurance has been specifically arranged for Peugeot Owners. Offering discounted premiums and a fast and efficient claims service, it is another benefit of owning a Peugeot. Your Dealer can provide a proposal form for a free quotation. Alternatively you can call the Peugeot Insurance Centre direct on 0345 333500 for a free quotation. Whatever Peugeot you drive, we guarantee to beat your current renewal premium on a like-for-like basis (this does not apply to any current policy issued by the Peugeot Insurance Centre).

It is our policy to continually improve our vehicles in every way and we reserve the right to modify our vehicles' price, specification (including colour), equipment, accessories and characteristics or to discontinue any model, without notice, at any time. Every endeavour has been made to ensure that the information, details and descriptions set out in this literature are correct, at the time of going to press. However, we are unable to guarantee that no changes have subsequently taken place to the price, specification (including colour), equipment, accessories and characteristics of, or relating to, any Peugeot vehicle, after the publication of this literature. Although every effort is made to bring this literature up to date, from time to time, in order to avoid any misunderstandings, you are advised to check with your Peugeot Dealer the specification (including colour), accessories and equipment relating to any Peugeot vehicle, prior to ordering. Due to the limitations of the printing process, the colours and trims may differ slightly from the actual cars. Where a feature is described as an option in this publication, it should be assumed that it is at extra cost unless specifically stated otherwise.
