The Peugeot Customer Promise

When you buy a new Peugeot car from a Peugeot Dealer in the UK and entrust your vehicle to one of them for servicing or repair, they promise:

- to give you the best people, with the best training and diagnostic tools;
- the best parts and the best aftersales backup;
- all at a competitive price.

■ Peugeot Peace of Mind

Peugeot Cars are designed and manufactured to give you worry-free motoring and peace of mind. As a Peugeot owner you are entitled to a comprehensive range of customer care services from your Peugeot Dealer who has the expertise to maintain your Peugeot to its peak performance.

■ Peugeot Service Care

Peugeot petrol engine cars need servicing every 20,000 miles or every 2 years, whichever is sooner. Drivers of diesel versions also benefit from extended servicing with 10,000 miles or 2 year intervals and 2 years or 12,000 miles for HDi turbo diesel vehicles. With less time spent in the maintenance bay and fewer service visits, Peugeot have passed on the benefits of technology in engine design and lubrication. Cost savings compared to competitive models increase with mileage covered, and could be up to 45%.

In order to minimise the inconvenience associated with normal servicing, Peugeot UK Dealers promise to offer you the choice of:

- while you wait servicing with a timed appointment;
- or local vehicle collection from your home or place of work;
- or alternative transport to the railway station, home or place of work;
- or by arrangement, a hire car at a concessionary rate, and undertake to ensure that your vehicle is washed before it is returned.

■ Peugeot Assistance

For the first year of ownership you will automatically receive Peugeot Assistance cover for complete peace of mind. Additional Peugeot Assistance may be purchased for the second and third years. Operated by the AA, it includes European cover, roadside assistance, vehicle recovery, free replacement car or hotel accommodation and chauffeur provision in case of certain medical disabilities. Peugeot Assistance is available within the UK and Europe. Your local Peugeot Dealer has full details of terms and conditions.

■ Peugeot Warranties

■ 3 Years of Warranty

In addition to the Peugeot one year unlimited mileage manufacturer's warranty, all vehicles first registered in the UK and purchased from a UK Peugeot Dealer will benefit from an additional two years of warranty provided by the Peugeot Dealer network in the UK. This additional warranty carries a mileage limit of 60,000 miles from first registration.

Otherwise, the conditions of the additional warranty are identical to those of the one year manufacturer's warranty. (For full terms and conditions, please consult your Peugeot Dealer. This 3 years of warranty is automatically transferable on sale of the vehicle.)

■ 12 Year Anti-Perforation Warranty on Cars

Also automatically transferable on sale of the vehicle, this will maintain and enhance the resale value of your car. (The Anti-Perforation Warranty is limited to 6 years on Partner, Expert and Boxer vans).

■ 3 Year Paint Warranty on Cars

The Paint Warranty has also been extended to 3 years on cars, again totally transferable without charge. (The Paint Warranty is limited to 1 year on Partner, Expert and Boxer vans).

■ Peugeot Extended Warranty

Should you need protection beyond the initial 3 years of warranty, the Peugeot Extended Warranty plan can give you cover of up to 120,000 miles and 4 or 5 years. Available as an option at extra cost, the Peugeot Extended Warranty is one of the most comprehensive schemes of its type and is available exclusively to Peugeot owners. Please ask your Dealer for full details.

■ Peugeot Genuine Parts Promise

If your car is at a Peugeot Dealer for a service or repair and not under warranty, the parts required to keep your car on the road are normally available from stock. However, when a part is not immediately available, we guarantee that when your Dealer orders the part from the Peugeot Parts Centre by 5:00pm, Monday to Friday, it will be with them by 8:00am the following morning. If the part does not arrive on time, you will receive it free of charge (subject to terms and conditions). Full details of this promise are available from your Peugeot Dealer (this offer only applies in mainland Britain).

■ Peugeot Insurance

Peugeot Insurance has been specifically arranged for Peugeot owners. Offering discounted premiums and a fast and efficient claims service, it is another benefit of owning a Peugeot. Your Dealer can provide a proposal form for a free quotation, alternatively you can call the Peugeot Insurance Centre direct on 0345 333 500 for a free quotation. Whatever Peugeot you drive, we guarantee to beat your current insurer's renewal premium on a like-for-like basis (this does not apply to any current policy issued by the Peugeot Insurance Centre).

Green Marathon Programme

With their partners, the National Forestry Commission and Pro Natura International, Peugeot are engaged in a massive programme of re-forestation in the Amazon. The purpose of the programme (which consists of over 5000 hectares/12350 acres of Amazonian Territory) is to create and maintain for 40 years a real "carbon sink" of 10 million trees. This will absorb excess CO₂ from the atmosphere as well as reducing CO₂ concentration and controlling the emissions of greenhouse gases.

Unique in its scale, duration, objectives and resources invested, this programme christened "Green Marathon" complements the steps taken to reduce the emissions of Peugeot vehicles and demonstrates in a practical and exemplary manner the marque's approach to the environment.
