There is a choice of petrol or diesel power with the 2.2 litre HDi unit featuring a FAP Particulate Filter, which reduces particulate and fume emissions to virtually zero,

demonstrating Peugeot's care for the environment. The interior is no less impressive featuring a unique Chess Black leather and cloth upholstery.

The Peugeot Customer Promise

When you buy a new Peugeot vehicle from a Peugeot dealer in the UK and entrust your vehicle to one of them for servicing or repair, they promise: to give you the best people, with the best training and diagnostic tools, genuine Peugeot parts and the best aftersales backup, all at a competitive price.

Peugeot vehicles are designed and manufactured to give you worry-free motoring and peace of mind. As a Peugeot owner you are entitled to a comprehensive range of customer care services from your Peugeot dealer who has the expertise to maintain your Peugeot to its peak performance.

PEUGEOT WARRANTIES

3 Years of Warranty

In addition to the Peugeot 1 year unlimited mileage manufacturer's Warranty, all vehicles first registered in the UK and purchased from a UK Peugeot dealer are offered with an optional 2 years of Warranty provided by the Peugeot dealer network in the UK. This additional Warranty is offered free of charge but subject to the manufacturer's recommended servicing being carried out by an authorised franchised Peugeot dealership. This additional Warranty carries a mileage limit of 60,000 miles from first registration. Otherwise, the conditions of the additional Warranty are identical to those of the 1 year manufacturer's Warranty. (For full terms and conditions, please consult your Peugeot dealer. This 3 years of Warranty is automatically transferable on the sale of the vehicle.)

12 Year Anti-Perforation Warranty

Also automatically transferable on sale of the vehicle, this will maintain and enhance the resale value of your car. (The Anti-Perforation Warranty is limited to 6 years on Partner, Expert and Boxer vans.)

3 Year Paint Warranty

The Paint Warranty has also been extended to 3 years, again totally transferable without charge. (The Paint Warranty is limited to 1 year on Partner, Expert and Boxer vans.)

Peugeot Extended Warranty

Should you need protection beyond the initial 3 years of Warranty, the Peugeot Extended Warranty plan can give you cover of up to 120,000 miles or 4 to 5 years. Available as an option at extra cost, the Peugeot Extended Warranty is one of the most competitive schemes of its type and is available exclusively to Peugeot owners. Please ask your dealer for full details.

PEUGEOT ASSISTANCE

For the first year of ownership you will automatically receive Peugeot Assistance cover for complete peace of mind. Additional Peugeot Assistance may be purchased for the second and third years. Operated by the AA, it includes European cover, roadside assistance, vehicle recovery, free replacement car or hotel accommodation and chauffeur provision in case of certain medical disabilities. Peugeot Assistance is available within the UK and Europe. Your local Peugeot dealer has full details of terms and conditions.

PEUGEOT SERVICE CARE

Peugeot petrol engine vehicles need servicing every 20,000 miles or every 2 years, whichever is sooner. Drivers of diesel versions also benefit from extended servicing with 10,000 miles or 2 year intervals and 2 years or 12,000 miles for HDi turbo diesel vehicles. With less time spent in the maintenance bay and fewer service visits, Peugeot have passed on the benefits of technology in engine design and lubrication. Cost savings compared to competitive models increase with mileage covered, and could be up to 45%.

In order to minimise the inconvenience associated with normal servicing, Peugeot UK dealers promise to offer you the choice of:

- while you wait servicing with a timed appointment;
- or local vehicle collection from your home or place of work;
- or alternative transport to the railway station, home or place of work;
- or by arrangement, a hire car at a concessionary rate.

In addition they will undertake to ensure that your vehicle is washed before it is returned.
